5 DAY HISTORIC GOLDFIELDS

MOTEL TOUR

Price Includes: Twin share Motel Accommodation, Continental breakfast, Evening meals, Entries to various attractions (as noted). Lunches Not Included.

Day 1: Leaving Perth we travel via Mundaring Weir, the source of the "liquid gold" water, that allowed the Goldfields to develop into the dynamic region it is today. On then to the Cunderdin Pumping Station (one of eight pumping stations on the original Pipeline). Onto Southern Cross, site of the first gold strike in the Goldfields (1887). After lunch onto Kalgoorlie Motel and our home for 4 nights. N.B. Entry to Cunderdin Museum included in your fare.

Day 2: We commence a very thorough look at the Gold Mining Industry with a tour underground at Hannans North Mine. Free time for lunch and then a comprehensive tour of Kalgoorlie and Boulder, a visit to the Big Pit

look-out and a visit to the famous Two Up Ring. N.B. Hannans North Mine Tour included in your fare.

Day 3: An early start to see the old Gold Towns of the North Country. Firstly due north of Kalgoorlie is Broad Arrow, famous in the Nickel Queen. North from here is Menzies, from where we travel to Lake Ballard and its "statues". Just north of Menzies we turn off to Kookynie and visit one of the great engineering feats of the early Goldfields, Niagara Dam, built to provide water for the steam locomotives. Onto Leonora and one of the great mines of the Goldfields, Sons of Gwalia at Gwalia.

Day 4: Firstly going to the Coolgardie Camel Farm. Rides for those who wish and a talk on these "ships of the desert". Into most interesting Coolgardie Cemetery, then time to wander one of Australia's most historic towns. Afternoon tour to Kambalda. N.B. Entry to Coolgardie Camel Farm included, Camel Rides not included in your fare.

Day 5: Departing Kalgoorlie we head back

along the highway to Merredin then turn south to Bruce Rock, Quairading and York, following one of the earliest routes to the Goldfields.
