Day 2: Our first stop is Mullewa, a small wheatbelt town on the edge of the station country. Onto the road to Tailoring Station to see the beautiful Wreath Leschenaultia, a unique flower often growing in disturbed gravel. From here we follow the old railway reserve which went to the Goldfields; this is often a good wildflower area. South then to the ghost town of Gullewa and its tiny historic cemetery. Onto Morawa and an afternoon break then south to Dalwallinu, our

home for two nights

Day 3: A lovely drive today through the Everlastings along the Great Northern Highway to another old mining town and its pub, Paynes Find. We continue our travels through the blooming bush to the Goodlands Rd where normally Wreath Leschenaultia are plentiful and return to Dalwallinu

Day 4: From Dalwallinu we head to the Moora area to see the beautiful Wild Hibiscus Bush and visit the Coomberdale Wildflower Farm for a very interesting talk and display. Onto Moora for a short break then to New Norcia, a unique town for lunch and visit. After lunch we travel along Old Plains Road where normally there is a wide range of wildflowers growing in the rich countryside. Then a lovely drive through the lush green hills to Bindoon.
